

Square Clamps (Flat to circular conductor)

Square Clamps provide four way connection and are suitable for crossing over tapes and cables in straight through joints or 'T' connections to form a continuous cable network.

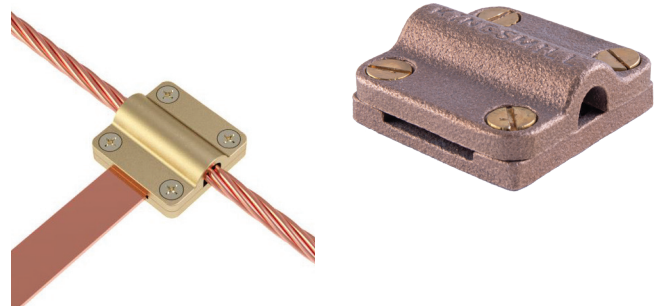

Countersunk hole in the base for fixing the clamp in place.

CONDUCTOR SIZE (mm)	CONDUCTOR RANGE (mm/mm ²)	WEIGHT (kg)	PART NO.
25 x 3	8 Dia	0.16	SQCC25308
25 x 3	50	0.16	SQCC25350
25 x 3	70	0.14	SQCC25370
25 x 3	95	0.12	SQCC25395

Material: Gunmetal

Standard: BS:EN 62561-1, Class H

Tightening Torque: 6Nm

FIXINGS
1 x CSK 1½ x No.10 woodscrew (BCSW1.5-10) + plug (PP10) not included
